Dear Mrs. Manley:

Noting in the AFRO that you and Mr. Posey were weighing the possibility of a deal of Tiny Watkins for Rev. Canady, please be advised that Canady is still the property of the Clowns, being loaned to the Grays in mid-season last season.

Cum asked me at the meeting what disposition I was going to make on Canady, fully recognizing he was our property, and I told him I would let him know at a later date. Canady is desirous of returning to the Clowns in keeping with his agreement with the writer.

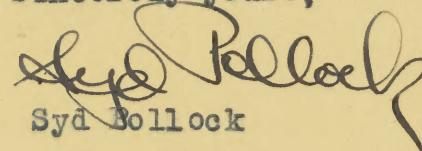

If, Canady is desirous of playing with Newark, I can get a waiver from our NAL clubs okay, and would consider a deal or trade, if you are interested, and such a trade or cash offer should legally be worked out direct with this office.

"Rev" and myself are on very good terms and only too glad to work out anything that may benefit him and be mutually satisfactory all the way around.

May I hear from you on the above by return mail, please.

With kindest regards and best wishes for the New Year, I am

Sincerely yours,

Syd Bollock
